### **The Hope and Heartbreak of a Generation**

With less than 100 years of democracy, Thailand has endured a tumultuous history characterized by 12 successful coups d'etat and 20 different constitutions. Breaking the Cycle explores the 2019 election in Thailand, which marked the end of five years of full military rule, and a new group of young politicians who campaign against an authoritarian constitution, sparking hope and a once-in-a-generation youth movement.
